## State Prize "Clean Technology Austria"

### Language

English

### Section:

The Austrian State Prize <sup>2021</sup> for Environmental- and Energy Technology State Prize "Clean Technology Austria" will award at November 2021 in Vienna. The prize is the highest award of Austria in the environmental technology sector. The best technologies, products, services and projects from Austrian companies and organisations will be honoured at the Gala in 2021 again. A highlight of the evening will also be the Matchmaking Area, where the opportunity is provided to form new business contacts and discuss matters directly at the event. You'll find [pictures](#), the [State Prize brochure 2018](#) and further [information](#) from the last Austrian State Prize Gala in 2018 here. Further information from the Gala in 2021 you'll find here soon.
