## About us

Austrian companies from the environmental and energy technology sector have always been regarded as particularly innovative, reliable, seminal and occupy a leading position in international comparison. In order to make the complex offers of Austrian companies as clearly and efficiently as possible available to potential clients or

customers and partners, this project, which is supported by the Austrian Ministry for Climate Action, Environment, Energy, Mobility, Innovation and Technology, virtually brings together the existing databases of the following project partners:

- Green-Tech-Cluster Styria GmbH
- Standortagentur Tirol
- Dachverband Energie-Klima
- Umwelttechnik-Cluster - Business Upper Austria - OÖ Wirtschaftsagentur GmbH
- Wirtschaftskammer Österreich/Aussenwirtschaft Austria
- Bau.Energie.Umwelt Cluster Niederösterreich
